The stewards received a report from the FIA Technical Delegate that car No. 67 had stopped on the side of the road a few hundreds meters after Refuel Zone 3. The driver and co-driver were standing outside the car. A mechanic was standing nearby discussing with driver and co-driver an apparent problem in the engine compartment.

The mechanic was wearing an armband from PWRC identifying him as a team personnel of the team which had entered cars No. 21, No. 33 and No. 67.

The stewards considered this to be in breach of Art. 47.2.1 of the 2011 FIA WRC Sporting Regulations and after due deliberation

**DECIDE**

In application of Article 153 of the 2011 FIA International Sporting Code, to impose the penalty of a **reprimand** on competitor No. 67.

In taking this decision the stewards considered that no intervention was carried out by this mechanic nor did any of the crew members use or receive any manufactured materials or other items from the mechanic.

The competitor is reminded of his right of appeal.
