Parking

Once your car has been removed from the trailer, please park the trailer in Level C. Please park your trailer with due consideration to fellow competitors.

The overflow car park is on Level E; motorhomes should be parked on this level.

Scrutineering

Scrutineering and noise test will take place as follows:

Thursday 10th November 16.00 - 20.00

In response to last year, we have produced a schedule for scrutineering and noise test which is attached. We have tried to allocate everyone a time as close as possible to that requested. Please make sure that you arrive on time. All decals should be affixed before arriving at scrutineering.

Documentation

Documentation will take place as follows:

Thursday 10th November 15.00 - 20.00

Please ensure you attend documentation prior to Scrutineering to collect your decals. On completion of documentation you will be provided with a process card which should be taken to Scrutineering.

If you wish to carry an in-car camera please advise us of this at documentation. You will be provided with a sticker which must be stuck to your dashboard in view of the camera. All camera fixings will be checked at Scrutineering.

Restarting

As a reminder, competitors who retire on Friday may restart on Saturday morning after they have been scrutineered satisfactorily.
